

A NOTE TO OUR FAMILIES

UPDATE: CLOSURE OF CHILD CARE CENTRES and EARLYON CENTRES

March 16, 2020

Child Development Institute (CDI) Early Learning Centres and EarlyON Child and Family Centres will be closed from March 14 to April 5, 2020. Toronto Public Health recommended the closure of all licensed daycares and EarlyON Centres and the City of Toronto has acted accordingly in an effort to contain the spread of coronavirus COVID-19.

We recognize that the closure of our centres will be challenging, especially if you face limited options for childcare. This decision ensures the health and safety of the families in our care and the communities we work to support.

From March 14 until April 5, 2020, the following CDI child-care centres and EarlyON centres are closed:

- ANNEX EARLY LEARNING CENTRE
- FRASER MUSTARD EARLY LEARNING CENTRE
- PARKDALE EARLY LEARNING CENTRE
- WELLESLEY EARLY LEARNING CENTRE
- WINDERMERE EARLY LEARNING CENTRE
- PARKDALE-HIGH PARK EARLYON CHILD AND FAMILY CENTRE
- 100 HIGH PARK EARLY ON CHILD AND FAMILY CENTRE

At this time, we recognize that children and families may be feeling anxious or scared. CDI is here to support your family during these times of challenge.

We encourage you to visit our website at childdevelop.ca/coronavirus to learn helpful ways in which you can talk and educate your child during this time and practice healthy habits that help keep us healthy all year round.

We will provide an update as soon as possible.

Sincerely,

Lynn Ryan MacKenzie

CEO

Child Development Institute
